

Export your Data (by e-mail)

- ① Tap the bottom-left button to open the menu.

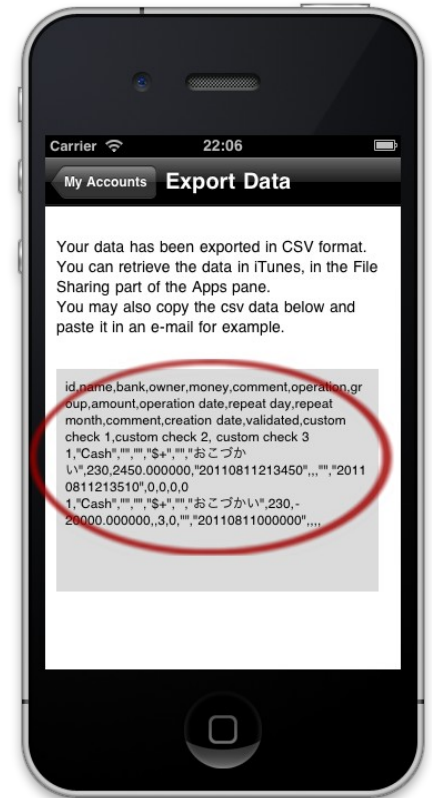

- ② Tap 「Export Data」

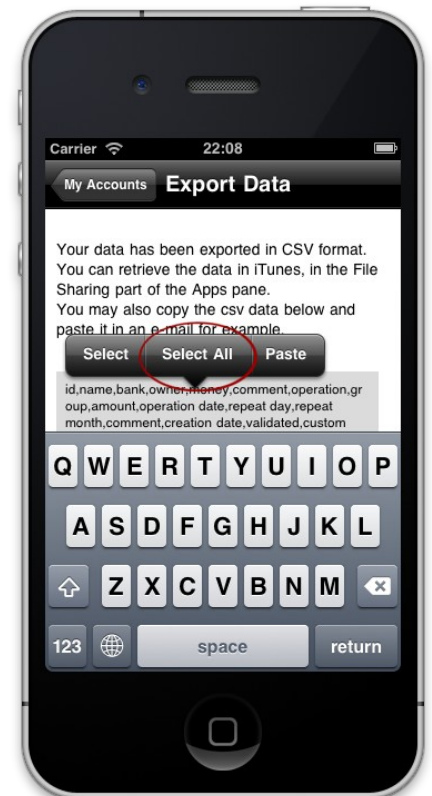

③ Your data is exported in CSV format.

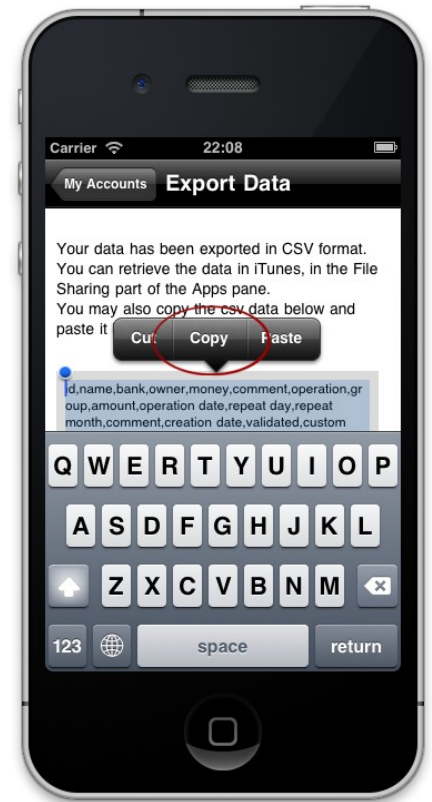

The CSV data is displayed, you may now copy it. Tap twice on the CSV text to open the context menu.

④ Tap the 「Select All」 button.

⑤ Tap the 「Copy」 button.

⑥ You have now copied the CSV data. You may now close 「My Accounts」 and open a new e-mail message and paste the data there.
